## WELCOME

In this new edition of CountryClubuk magazine we are launching our new Travel Club, a complete service for our members. It includes travel for long holidays, short breaks, flights-only for business and pleasure, plus sporting travel. In fact, wherever and whenever you want to travel, in the UK and abroad, the Club will arrange it for you, and make sure you receive good service and a good deal. If you turn to page 36, you will see how to use our flight booking service to gain access to 23 VIP lounges at airports in the UK without travelling in first or business class.

Sport is another highlight this issue. Members are invited to join us with tennis champion Stan Smith at Wimbledon (p6) and the French Open (p9), for racing at Royal Ascot (p10), cricket at Lord's in the England v Pakistan Test Match (p10), rugby at Twickenham (p12) and golf in the Open Championship (p12).

We also have some very exciting new deals in hotels, fashion, tailoring, wines and food.

To take up any of our offers, just call us on our number, 020 7291 8600 (or visit the website at [countryclubuk.com](http://countryclubuk.com)). Our Member Services team are waiting to be of help.
