WELCOME

In this new issue of *CountryClubuk* magazine we are announcing new reciprocal arrangements with two more London clubs, the St Stephen's Club in Westminster, a parliamentary club inspired by Benjamin Disraeli (p54), and the Naval Club, a Mayfair townhouse once owned by the First Lord of the Admiralty. We hope you will enjoy them.

We also hope you will enjoy this issue of your Club magazine. Some of our most recent arrangements appear in its pages. As always, many more are being organised all the time.

Membership of *CountryClubuk* brings with it an extraordinary range of benefits. Many are worth a great deal of money, but, besides monetary advantages, the Club brings enjoyment of a constantly refreshing collection of services, privileges, indulgences, entertainments and practical help.

If you are already a member, welcome to the new issue. Not yet a member? The annual fee is £79, and you can save that and more with just one offer (eg a night's hotel stay). Turn to p37 to join, or call our Member Services team on 020 7291 8600.
